### KITTY'S EVENTING DREAMS ARE GALLOPING FORWARD

*Independent global tax consultancy FiscalReps values its staff for the dreams they aspire to as much as the dedicated service they provide 9 to 5. Kitty Christopherson, a Sales and Marketing Assistant in the FiscalReps team, is doing brilliantly in her other life as a highly successful equestrian competitor!*

**London, 07 April 2009** – Along with her job looking after customer needs as a Sales and Marketing Assistant in the FiscalReps team, 22 year old Kitty Christopherson seems to be getting just as many challenges in her runaway career as equestrian competitor.

Riding since she was three years old, Kitty, a member of her local Pony Club in Surrey since she was five – is racing hard to achieve a lifetime ambition and gain a place in the 'Blue Riband' of the horse world, the Burghley 2009 Three Day Event in September. Even as Kitty has doggedly worked her way up through all levels of the sport, investing huge amounts of personal time and energy, she's also been focused on her commitment to FiscalReps.

FiscalReps supports Kitty as much as it can and is sponsoring her financially, while at the same time valuing her contribution to FiscalReps – and she's getting a lot of ongoing support from her workplace colleagues too.

Kitty has two geldings, thirteen year old Ikaros Des Source (stable name Echo) and Captain Fantastic (stable name Flash), a six year old. She competes both horses regularly on the British Eventing circuit and at international competitions. She has represented her pony club successfully in Eventing, Show Jumping and Dressage at all levels, plus Mounted Games as a junior and senior, qualifying for the 2000 and 2003 Open Championships at Show Jumping, Eventing in 2003, 2005 and 2006 and Dressage in 2005 and 2006. Kitty was also selected for the South East Junior Regional Novice team in 2003, having won two JRN events that year.

Commenting on Kitty's commitment to both her day job and sport, Mike Stalley, FiscalReps' Chief Executive, says, "We are delighted in Kitty's success and wish her

all the best in her sport. We believe in employing the best people and supporting them in everything they do.”

FiscalReps would like to take this opportunity to wish Kitty the very best of luck in her bid to gain a place at Burghley.
